

Cargill Cocoa & Chocolate Gresik Quality Policy

Cargill Cocoa and Chocolate Indonesia is committed to produce high quality products according to customers' requirements.

We have implemented systems, procedures and controls that assure the consistency of our processes and the sound conditions of our installations.

The results and deviations are constantly reviewed to guarantee a continuous improvement culture in our processes.

Employees are provided with the opportunity to attend internal and/or external training programs, thereby enabling them to perform their tasks in compliance with the Business Unit's and customers' requirements.
